### Town of Kensington Presents 2021 Youth of the Year Award and Citizen of the Year Award during Canada Day Activities

The Youth of the Year Award is annually presented by the Town of Kensington to a youth member of the community who has demonstrated accomplishment in three or more of the following areas: Academic excellence; outstanding achievement in athletic or cultural activities. Significant contribution to school affairs and extracurricular activities. Participation in community activities together with demonstrated leadership skills. Overall good character and citizenship.

**Connor Costain**, through a process of public nomination, is judged to have demonstrated outstanding achievement in each of the aforementioned areas of endeavour. As a maturing leader, he has dedicated himself to countless school activities, community involvement, and is a true community volunteer, all of which helps the Town of Kensington to become a stronger community for everyone. It is with great pleasure that this deserving youth member of the Town of Kensington has been selected to receive the 2021 Youth of the Year Award.

**The Citizen of the Year Award** exemplifies outstanding service to one's community combined with an extraordinary determination and passionate desire to contribute towards improving the quality of life of residents of the Town of Kensington and, more broadly, the quality of life for residents of Prince Edward Island and Canada.

**Carol Evans** is an outstanding example of an individual who believes and acts on behalf of all people in need. The people of Kensington and surrounding areas have benefited from her years of compassionate service and friendship. You will often find her working in health care, helping at our community care homes, Christian council, outreach groups, or the food bank. She raises money for hospitals, for people needing dental and health care, and sets the standard for us all in staying fit and promoting healthy lifestyle choices. She is always there to welcome newcomers to our community and works hard to ensure everyone feels welcome and continues to improve the quality of life for everyone she meets.

"Carol is an example to us all on how to live and care for others in our community."

We are proud to recognize Carol Evans as our 2021 citizen of the year.

### Gulf Shore Heart Garden

As the school year wound down at Gulf Shore Consolidated in North Rustico, students and staff created a heart garden in front of the school. Each heart represents a child who attended or was lost to a residential school. The first Heart Garden was created on June 3rd, 2015 at the closing ceremonies for the Truth and Reconciliation Commission. Just before school ended, the Heart Garden display was moved to a garden bed outside the primary classrooms where seeds and flowers were added to the display.

Mayor Rowan Caseley presents the Youth of the Year Award to Connor Costain.
